---

This constitutes the current list of Pharaoh Hound Club of America breeders who have signed and agreed to comply with the PHCA Code of Ethics and have provided the PHCA with the microchip identification numbers of puppies they have bred, pursuant to the Code of Ethics.

The Pharaoh Hound Club of America does not warrant the sale of any Pharaoh Hound(s) purchased from breeders on this list. The signing of the PHCA Code of Ethics does not guarantee the conduct of any PHCA Member, but serves as a guideline for ethical conduct.

You are encouraged to speak to multiple breeders and conduct your own, independent inquiry before selecting a breeder.
